

Automatic Waterer Template

To find complete assembly instructions go to:
www.cottonwoodhollowhomestead.com/automaticwatererassemblyinstructions or scan the QR code to get started!

The red line will be where the rim of your bucket is placed when the waterer is finished. You can adjust the template up or down until you establish how high off the ground you want your bucket to be positioned.

Feel free to email me at:
CottonwoodHollow@protonmail.com with questions or go to www.cottonwoodhollowhomestead.com for more info!
